

About the Tour

This is the opportunity of a lifetime! We are excited to see God's beautiful creation by bike, to be part of a community of cyclists for a summer, and to serve God for a great cause.

Presented by the Christian Reformed Church, the Sea to Sea tour begins June 28 in Seattle and will end August 30 in Jersey City, covering nearly 3,700 miles! Sea to Sea not only allows us to exercise our passion for cycling, but to speak out about our other passion to end the cycle poverty,

The cyclists are not doing this alone. A support crew of volunteers will be traveling along, helping fix broken bikes, hauling our gear, preparing meals, and setting up campsites.

We will bike six days a week, ending each day to rest in a campground, field or school gym where we will eat, rest, and socialize.

Come to one of 12 Celebrations during the tour.

I have been hoping to go on a bike trip. When the Sea to Sea postcard arrived, I figured now was the time to accomplish this goal. Not only would I be able to bike, but I could bike for a purpose and with fellow brothers and sisters in Christ. I want to participate in this ride so that I can challenge myself to overcome my present spiritual and physical limits.

Thank you for your support.

I want to ride to see God's work. To ride would be to get into something beyond what I think is possible. I would love to live God's imagination. I ride to bring help to those in poverty. I believe that this trip would make God smile to see His people coming together to love Him and love each other. For fun too!

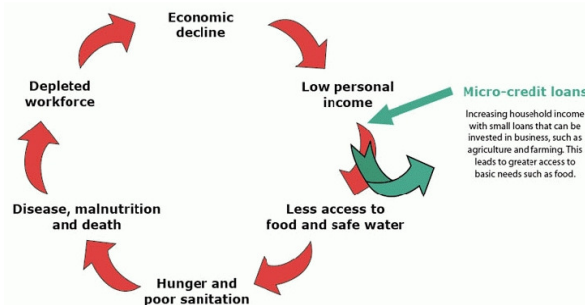

Thank you for your support.

I want to continue supporting reduction of poverty in Christ name through these agencies and people working in them, encouraging others to donate, serve and pray. Biking across the continent was a teenage hope. Now it can be reality with further purpose; enhanced by doing it with two sons, other Christian riders and numerous supporters. The tour celebrates living in God's creation and working to redeem it for His
